

# Medlen School Days

Jefferson County Historical Society offers an authentic experience in a 1920s one-room schoolhouse at Medlen School on South Turkey Creek Road. Built in 1886, the school has been restored in its original location.

Children who have completed grades 1-5 share in this unique opportunity to:

**EXPERIENCE** a typical country school with several grades;

**LEARN** “the four Rs” -- reading, ‘riting, ‘rithmetic and recitation – just as children of the 1920s did; and

**PARTICIPATE** in the games they played, the songs they sang, and the fun they had!

Coordinator*
